

APPROACH TO MEINERT SP. Z O.O. – JELENIA GORA, POLAND

By car

Approach from Germany

Take the motorway A4 from Dresden towards Görlitz. Leave the A4 at the first exit after the border with the direction of Jelenia Góra (route 30). Leave the next roundabout at the third exit and drive approx. 65 km on route 30 towards Jelenia Góra. After the sign of Jelenia Góra drive through the viaduct and leave the roundabout at the first exit. Follow the Zgorzelecka road towards Szklarska Poręba, which leads into the Spółdzielcza road after 1 km. After another 800 m turn to the left into the Spółdzielcza road (after passing the gas station on the right), in which you can see the ARCUS components flags after 1 km.

Approach from Warsaw (Warszawa)

Take the A2 towards Poznan und leave it at Konin onto route 25 towards Wrocław. Follow the route 25 approx. 130 km towards Kalisz, then Ostrów Wielkopolski and finally Olesnica. Then continue on the route S8, which merges to motorway A8 and then passes Wrocław. After about 22 km on the motorway A8 switch to the A4. After additional 24 km leave the A4 and take the route 5 towards Jelenia Góra. In Bolkow change from route 5 to route 3 and proceed towards Jelenia Góra. After the sign of Jelenia Góra follow the main road Aleja Jana Pawła II. After approx. 10 km leave the roundabout at the second exit. Follow the Zgorzelecka road towards Szklarska Poręba, which leads into the Spółdzielcza road after 1 km. After another 800 m turn to the left into the Spółdzielcza road (after passing the gas station on the right), in which you can see the ARCUS components flags after 1 km.
